Dear Sirs,

In regards to MB Docket No. 04-233.

It has come to my attention you are seeking comment on the LPFM issue.

For the record, I would speak on behalf of K-LOVE.

K-LOVE serves our local community by providing wholesome, encouraging music and news that we would not get from another source.

If LPFM were to move forward and K-LOVE were displaced the entire community would suffer the loss of a media source that is funded entirely by us, the community. We want K-LOVE in our community, that is why we are willing to support it financially.

Finally, the service K-LOVE provides is in the public interest as the public receives a message in sharp contrast to other stations I.e. shock jocks, political, etc... the FCC will never have to censor K-LOVE for obscenity. In addition we, the public get news, local entertainment schedules and a variety of other information not reported by other media.

I urge you not to approve LPFM.

Thank you for taking comments,

Please do not even consider taking K-LOVE off the air!!! It would be very disappointing to me if ~~the~~ K-LOVE was taken off the air for the following reasons:

① K-LOVE plays music that is very encouraging to me. Music that points me to God. K-LOVE believes in Jesus Christ just as I do. Every day they read scripture from the Bible, and it blesses me. I have become a better person since I began walking with God, and K-LOVE encourages me to walk with Him!

② I believe the effect on ~~the~~ my local community would be totally negative if K-LOVE was replaced by other programming. People know that there is a station that lifts up the name of Jesus. Many of those people will not go to church for one reason or another, but I know (because of testimonies heard on K-LOVE) they will ~~turn~~ turn ~~the~~ ~~radio~~ their radios on

to K-LOVE in times of trouble. The suicidal rate would probably go up if K-LOVE was taken off the air. Suicidal people have no hope and that is what K-LOVE offers! K-LOVE lets people know that God loves them!

③ It is in the public interest to keep K-LOVE on the air because K-LOVE is just what their motto says "Positive and Encouraging"! Who doesn't like to be encouraged? People need encouraging to make it through this hard life!

(oh-I forget to add this to point #2 - Before my walk with God, my brother committed suicide. I contemplated suicide even more after he did it, and I found out my sister had the same thought. God has taken that thought from me! ☺)

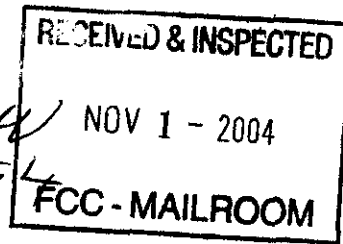

I listen to K-LOVE on 89.9 every day, and am a pledge partner.

To whom it may concern:

I am writing this letter to bring attention to a matter that my family and I were just recently made aware of. It has been brought to my attention that the FCC is in the process of introducing a broadcast service known as Low Power FM (LPFM) to a radio station that is a lifeline for us. **K-LOVE FM 90.1, 93.1 AND 104.3** is a station that could be taken over by the LPFM. I am asking that you consider the impact for good this station has on **HUNDREDS OF THOUSANDS OF PEOPLE** who enjoy positive and encouraging music and news. K-LOVE provides my family and I with music that I don't have to worry about. We don't have to worry about something offensive or off color being said. K-LOVE is a station that gives hope because of the message of JESUS CHRIST through music and on the air fellowship. If K-LOVE were to be taken over by a (LPFM) we would not be able to listen to it anymore. Just this morning on our way to school, I turn the radio on to 90.1 and it wasn't K-LOVE? So I switched to 104.3 and the station was not coming in very well, it was then that I realized then how much I would miss K-LOVE if we could no longer get it. My 10 year old son said, "Mom you have to write them a letter today!!" K-LOVE is an inspiration!! Not just to my family and I but to hundreds of thousands of other people, it is a witness of the love of JESUS and the blessings He pours out on His people through the testimonies shared on the air, in hope that others might be saved.

Sincerely,
David, Melissa
Aaron & Jeremiah Hill

P.S. Later on this morning
I tried K-LOVE once more
And there it was, right where
It is supposed to be, and I said,
"Thank you Lord!!"

I, my family, friends and
neighbors in my community
have been faithful listeners
to K-LOVE, 106.7 FM radio for
years now. My family and I
are personally partners of K-LOVE
radio. Which means we pay
every month to keep a good,
clear, positive and encouraging
K-LOVE on the air!

K-LOVE has been a God send
to us all, it encourages us to
worship and be thankful to
our Lord and Savior Jesus Christ
It encourages us to be giving
and non-judgmental towards
others! It teaches my kids
good moral values, which in
this day in age is a blessing

considering other than at home,
kids have no where else to
get that!

For a small example, I
have a 15 year old son, not
only does he listen to K-LOVE
but because of their music
and hearing the Word of God
in the music, instead of
hanging out in the streets,
doing drugs or being in a
gang; he's respectful to
his parents, he helps others
by collecting food for people
in need (when his told on the
K-LOVE news) and he's now
signed-up to do a walk-a-
thon for the Rockingham Co.
Pregnancy Care place for
teen girls. Which he signed
up on his own!

My 12 year old son, whom

we had many problems with listening to authority, is now listening to K-LOVE and is starting to see that listening to us, his teachers and other authorities is much more better and positive than his way and has recently joined a Christian youth group to do missionary work to follow his brothers feet-steps.

My 6 year old daughter who only knew K-LOVE radio her whole life practically; prays for people around the world and asks God to help her bless others and she does! She's quick to help her teachers as well as her peers and has even given away her cupcake or cookies to a child at her

class or not, to a child who didn't have a snack or just asked her for it, and she's happy to do it without a second thought!

Now I don't want you to think that I gave you these small examples to make you think my kids are perfect, they're not, but, the normal problems any parent goes through as we do, is a blessing this day and age!!

I watched a T.V. show a little while ago, and they showed statistics that showed that kids that have God in their lives are...

Less likely to do drugs

Less likely to join gangs

More likely to do better in school.

More likely to be a better citizen in the future.

Now I don't remember the exact percentages, but the point is K-LOVE radio and of course God can help change our future for the better and brighter!!

Everyday more and more people are listening to and partnering with K-LOVE radio. We hear it as it's happening that's how I knew. Peoples lives are being changed everyday and I feel that you the FCC have no right taking that away from us! We pay to keep it on the air because we want to hear it! Every other FM station plays nothing but wrap music which plays filthy, disrespectful music, rock and roll →

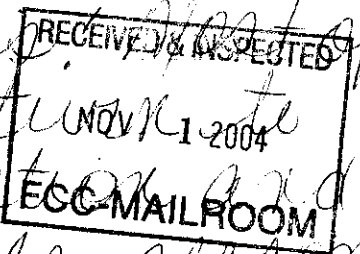

which encourage drugs, sex,
and suicide. Talk shows
that are appalling. even
commercials are like - WHAT?
K-LOVE is the only family
radio station that compl-
etely safe for entire fam-
ily, from a baby to the
elderly. They play all
types of good, clean Christ-
ian music. For kids, soft
rock ones, pop ones and even
holiday ones too. Plus
so much more!! So please
leave our FM translator
alone!! Think about our
future (our kids) wouldn't
the world be a better place
if people just could ~~be~~ enco-
urage to do the right thing
and listen to music to
encourage that? →

I pray and beg you please
don't take away my K-LOVE!
I have to also tell you, Jesus
stated and I quote...

"It is easier for a camel to
pass through the eye of a
needle, than it is for a rich man
to enter the Kingdom of Heaven!"

Now please don't ~~take~~ this
quote wrong. Jesus didn't
mean you can't have money
he even said he wanted us
all to prosper, even as our
spirit prospers, and that
money itself is not evil,
but the love of money is."
I just pray you don't be
greedy, and remember that
K-LOVE is partner supported
and to just leave our 1 and >

is, at 106.7 FM! (In my state)

Thank you for reading

all I pray you turn to

Dear FCC,
Please don't take away our
K-LOVE Radio Station. We listen
to 106.7 FM. This Radio station is a
true blessing to me & my family. It
helps us by reminding us what an Awesome
God we serve. It is spiritually uplifting &
very inspiring. It pulls us together as a
community by giving us a common goal of worship

If K-LOVE were to be displaced
by an LPFM broadcaster the effect on the
Local community would be demoralizing

I believe that K-LOVE is in
the Public Interest because it opens our
hearts & minds to God & the fact that he
exists & that he sent his son to die for
us. Many people who listen to K-LOVE might
not ever set foot in a church & at least the

October 26, 2004

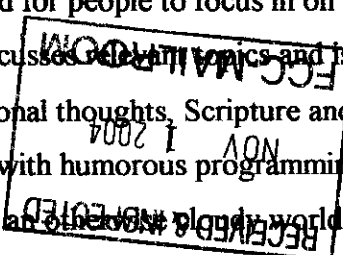

Attention FCC:

DOCKET FILE COPY ORIGINAL

My name is Desiree' Whippman and I am writing due to the fact that you are considering replacing our AIR-1 radio stations with LPFM stations. When I found out about this, I was really discouraged. I have grown up on Christian music but found AIR-1 four years ago and I would like to tell you the difference it has made in my life and in the lives of many others.

The last four years I have listened to it during my half-hour commute to college. College is a time where many people tend to abandon value systems they have been raised on and explore a little. However, this is the true reason that AIR-1 is so necessary in society today. On occasion I have tuned in to secular radio stations and have been repulsed at the topics discussed for people to focus in on as they begin their days or ride with their children. AIR-1 discussed relevant topics and is very encouraging to those in need. They provided inspirational thoughts, Scripture and hope when life just doesn't make sense. They lift you up with humorous programming when life doesn't seem so funny and bring perspective in an otherwise cloudy world. Many times I have been very discouraged only to find myself doing an about face after listening to them. I have been on my campus and felt very alone only to coincidentally hear someone else playing AIR-1 in his car and knowing there is someone out there who shares my beliefs. Their upbeat music provides a positive contrast to lyrics that only tear down the moral fiber of society.

In my vast area of Southern California, it is the only Christian radio station targeting teens. I got my brother hooked on it and he in turn got many other friends listening. This is very important in our world today as teens often find themselves very lost and alone and with no one to turn to. I truly believe it would hurt a lot of people who are devoted to the station and find such support and encouragement here. It is a safe haven in times of trouble and would hurt the many who coincidentally stumble across it during desperate times. I specifically remember a man who called in and was reached

No. of Copies rec'd

during a moment he was considering suicide. I know that AIR-1 does get hundreds of thousands of prayer requests and that is something much needed in times when you feel helpless, hopeless and don't know what else to do.

I cannot imagine what I personally would do if you discontinued the station. It truly means the world to me and got me through my years in college. I have donated to them for the last year, as many people do, to give back some of what they have given to me. I have even written them and thanked them for their services. Ironically, their representative called me back, thanking me and even praying with me, showing their ongoing consideration for their listeners as individuals.

I deem it a great privilege and blessing to have AIR-1 around as their station has been around during laughter and tears. I think MORE stations are needed like them that are positive and encouraging. In a world of such trouble of darkness, for the country or the individual, AIR-1 is a haven and soft place to land. I hope you will greatly consider the need for the station and the impact they have had on so many. I would highly suggest that you take a few moments and put yourself in the shoes of the listener by giving it a chance. It might even become a pre-programmed station on your car dial too. ☺ I truly thank God for letting me stumble across them also.

Re: MB Docket No. 04-233

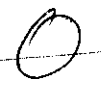

To Whom it May Concern:

It has come to my attention, that the FCC may allow new LPFM stations priority over FM translator service. It is my earnest request that you not allow the LPFM stations priority treatment.

Every day, my family listens to a radio station received via FM translator service. In particular, we listen to K-LOVE on 106.7. K-LOVE provides a family-friendly Christian radio station unlike any other found in this area. Even though we live in a metropolitan area, K-LOVE stands alone for its service, musical style, life lessons, and words of encouragement. I imagine its programming is even more valuable and rare in nearby rural areas where even fewer stations are available.

It never ceases to amaze me how many people in this community listen to K-LOVE. Each time I meet another, I feel a common bond in a big city. K-LOVE serves the Piedmont Triad community of North Carolina in several valuable ways. It provides regular community announcements, providing information to its listeners regarding upcoming non-profit events in the area. These events reach beyond church announcements to include non-profit community service and human service functions. These announcements are helpful for planning family outings and activities.

In addition to the community announcements, K-LOVE was there when we needed them during the recent hurricane that swept the east coast. North Carolina was drenched with heavy rains from two of the three hurricanes than pummeled Florida. During the worst of these (for my area), I was listening to K-LOVE during my lunch hour. A severe weather emergency alert announcement was given, capturing my attention. I had no idea when I drove away, even though a co-worker had been listening to a local radio station, that tornadoes had been spotted nearby. In fact, it was not until later that afternoon that I even began to hear similar alerts on my co-worker's local radio station. Sure enough, a tornado touched down in the western part of my county that afternoon causing damage to several homes. K-LOVE was my first alert to this danger. Afterwards, I was truly impressed with the responsiveness of a radio station housed far away, but clearly a very real part of this community.

Date: 11/1/04

It would be a tragedy to displace K-LOVE by an LPFM broadcaster providing other programming. K-LOVE's Christian programming keeps my mind focused on God. And, no matter what your own religious beliefs might be, I am a better person each day because of K-LOVE. My attitude is better. I treat others better because I focus on someone, something bigger than myself. I focus on what is really important in life—more important than work or my daily traffic problems. Multiply my response times thousands of listeners in this area and you'll find a kinder, more productive population, all listening to the same positive and encouraging music.

It is in the interest of the public to keep K-LOVE's service accessible for the very reasons I have listed above. K-LOVE provides this community with service announcements, alert warnings, positive and encouraging music that goes beyond the boundaries of any one denomination. It pulls together people of faith and offers them an opportunity for growth and encouragement. It also offers hope and a voice of concern to those who lack faith, who are searching and reaching. The residents of Greensboro, NC need K-LOVE. I think the entire planet needs K-LOVE—a voice of hope in a busy, scary world where lots of things go very wrong.

I speak from personal experience here. Although I have been a Christian for many years, I was not where I needed to be in my faith and in my life when I stumbled across K-LOVE on the car radio. My husband and I had just searched for a new church and I was feeling rootless. We found the church God wanted for us and we also found K-LOVE.

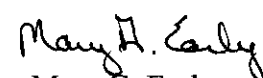

At the same time, I was one of those traffic maniacs, subject to easily become angry by other drivers. From that point, my attitude often did not recover. My frustrations poured over onto others. I naturally tend to be one of those "glass half empty" kind of people. But, listening to K-LOVE both in the car and at home has helped me to re-focus when someone makes me angry or cuts me off in traffic or when I'm just in a foul mood. I realized that so many of these daily "nightmares" are not really important at all. And then, I'd begin to focus on what really was important. I'd see things and people through eyes bigger than my own.

I don't know what greater contribution to this community—to the public at large—that K-LOVE could make than to have this impact on me and my family and countless others in the area.

It is my hope, my sincere desire, that this wonderful station, coming to my household via FM translator will not be lost. What a true tragedy it would be to our community to lose not only a source of music and information, but a source of hope and encouragement. Please do not allow the FM translator service to be lost to the LPFM stations. We need it. We need it every day.

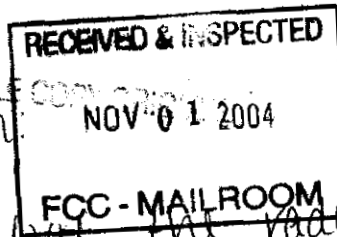

If I can answer any questions or be of service as you consider this issue, please do not hesitate to contact me at the telephone number given above.

Sincerely,

Mary G. Early

To Whom it may Concern:

I have heard that the radio Station KLove 106.7 is possibly being replaced by another Station. I listen to KLove daily. I listen in my car and at home. I even change the Station at work and have inspired other listeners. I have 3 young sons and they also listen. I never have to worry about what will be said next. I try to protect my children. I do not want them to listen to anything but K-love. (They ~~do~~ do not know anything different) I try to instill family values & morals. Klove helps to

accomplish this.

Klove keeps us informed of upcoming local events. Without Klove, we have no way of knowing what is going on in our local community. Church events.

Have you ever listened to the Radio in the morning? I have been embarrassed for my Children to hear some things discussed on Public radio. I am very fortunate to have found Klove.

If Klove is taken off the air or replaced, I will not allow my family to listen to the radio at all. Klove has been Encouraging and inspiration to my Community.

Dear FCC:

I am writing to voice my concern over the possibility of the LPFM receiving priority over the FM translator services and, thus, jeopardizing the very existence of radio stations, such as K-LOVE, in my local community.

I am quite pleased with the service of K-LOVE in my area and wish to continue receiving it as it does give to my and my family the wholesome values and the family-friendly programming that we (and all families) need.

If we were to lose the FM translator service of K-LOVE we would be inundated with inappropriate programs not suitable for young ears and offensive to my own ears. The encouraging messages and high moral standards of K-LOVE has a positive affect on this community and many other communities serviced by this station.

The public would best be served by keeping this station on the airwaves and protecting it from being overpowered and replaced by the LPFM because of the very nature or its family-friendly contents and clean, respectful attitudes toward family and other authorities.

Thank you.

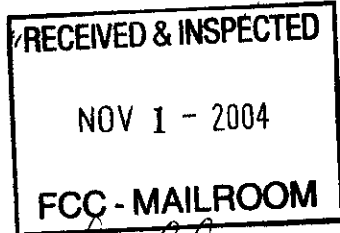

Sincerely,

(Mrs.) Deborah K. Kinney

I can not put into words the blessing that K-LOVE has been to me. So many times the Lord was able to meet my need through K-LOVE. Sometimes depression, fear, stress, worry, loneliness - many things - I find myself struggling with & yet through the ministry of K-LOVE - the music, the prayer, the encouragement - I find just the help I need! I listen to 88.9 in Oklahoma City.

Please do not take away the HOPE that K-LOVE offers to our community - 24 hrs. a day - 7 days a week!

I believe that K-LOVE can reach into homes, offices, cars, schools - anywhere - even without going to church.

Where else can children, teens & adults find positive, uplifting & encouraging input & a place to go to find comfort & to help us draw closer to God.

I pray that you will not remove K-LOVE on Oasis radio stations!!

I listen to and support K-LOVE Radio station and I believe it is an important asset in my community. The programs as well as the music foster love, respect for each other and for authority. The loss of this radio station would produce a void that will negatively impact our community. I received a note concerning your desire to replace the FM translator service that supplies K-Love with its power with a LPFM.

I would like to ask that you not do this. K-Love is an important part of the community in Blytheville. The music and programming on this station is up-lifting and positive, and much needed in this area. We have enough junk and negative things on the airwaves. It's important to have a station that the entire family can listen to. With the everyday struggles of life it's nice to have a channel on the air that encourages + lifts people up. Please help us keep this important part of our community.

Re: MB Docket No. 04-233

To Whom It May Concern:

I am writing to let you know how much I enjoy listening to KLOVE on the radio. This is a wonderful station that I listen to on a regular basis. Please do not give the LPFM priority over FM translator service, they feel there is little value in a station like KLOVE and may force them off of the air. KLOVE serves me as a resident of my community by keeping me at peace with God and reminding me to love my neighbors and put others before myself. I believe that it affects many people in my community the same way and to take away something so positive would only add to the negativity that is all around us. I believe it is in public interest to keep KLOVE on the air because it promotes happiness, and kindness to all. It is also the one radio station I can listen to in the car with my children and not have to be ready to turn the station at a moments notice because the DJ may start talking about something inappropriate for children. Please take all these points into consideration when making decisions regarding LPFM. Thank you for taking the time to read my letter.

Sincerely,

To Whom it May Concern -

I understand that you are considering a measure that would ~~allow~~ LPFM stations to take priority over current FM translator service. I understand that this will endanger (or possibly endanger) the K-LOVE signal in our area.

I would ask that you NOT take the steps that will make this happen. My family listens to K-Love exclusively, and there are no local stations that have similar programming. Also, K-LOVE offers additional benefits, not only to our city, but to many. They offer programming that I don't have to worry about, and with all the junk on the air now, I really appreciate that. I would really hate to lose a station that always has a positive message.

I don't know what stations are available on LPFM, but let's don't mess with a great station like K-LOVE.

Thank you for your consideration in this matter.

I am writing you in regards to MB Docket No. 04-233, the use of LPFM stations taking priority over current Fm translator services. I, along with thousands of other people listen to 88.7 K-Love. We would be devastated if this station no longer existed in our area. It has a huge impact on the personal moral & cheerfulness of our community. I am a business owner who has 88.7 Fm playing in my business all day; numerous customers comment on how nice it is to hear this beautiful music. One of the greatest reasons it MUST remain on the air is because it is completely child-friendly. Never is there a need to censor the programs or quickly change stations. To remove K-Love from our community would be a huge disservice to our children & the children of our country. I trust that you would make a wise decision regarding the replacement of K-Love 88.7 Fm.

Thank you for your time in reading this letter.

Sincerely,

Deb Louthan

TO THE F.C.C.

MB-Docket No 04-2331

WHY IS IT THAT YOU PEOPLE (OF THE F.C.C.) HAVE TO TAKE AWAY SOMETHING THAT HAS GREAT MORAL VALUES LIKE THE K-LOVE RADIO STATION? AND PUT RADIO STATIONS ON THAT PLAY IMMORAL MUSIC THAT PROMOTE THE WRONG VALUES IN TODAY'S WORLD.

YOU HAVE TAKEN T.V. AND PUT SHOWS ON THAT SHOW PEOPLE DOING DRUGS, KILLING OTHERS, AND SHOW THAT SEX IS ALRIGHT AT ANY AGE OR TIME.

I CAN REMEMBER GROWING UP AS A KID, WATCHING T.V. OR LISTENING TO THE RADIO, YOU ALWAYS KNEW WHO WAS GOOD OR BAD BY THE GOOD VALUES THEY EXHIBITED. BUT NOW TODAY, A PERSON CANNOT TELL WHO'S THE GOOD GUY OR THE BAD GUY, BECAUSE NO ONE EXHIBITS OR ACTS WITH GOOD VALUES.

YOU CAN LISTEN TO THOSE OTHER RADIO STATIONS OR WATCH T.V. AND HEAR ABOUT COPS WHO GO OUT AND KILL PEOPLE WHO COMMITTS CRIME, THEN GOES HOME TO DO DRUGS, TAKE HIS BEST FRIENDS' WIFE TO BED, AND THAT'S ACCEPTABLE.

NOW YOU WANT TO TAKE AWAY A RADIO STATION LIKE K-LOVE, WHERE I DONT HAVE TO LISTEN TO ALL STUFF OR COMMERCIALS, AND PLAY STUFF THAT ISN'T MORAL.

WE HAVE VERY LITTLE IN THIS WORLD THAT IS POSITIVE, THAT HELPS TO CHANGE PEOPLE'S LIVES IN A GOOD WAY, AND BRING SOME PEACE TO THE MIND AND TO THE HEART AND SOUL.

I AM 46 YEARS OLD, I NOW LISTEN TO MORE MUSIC THAN I WATCH T.V. AND IN THE LAST 4 YEARS I HAVE FOUND K-LOVE. K-LOVE BRINGS TO OUR

OTHER STATIONS, I DON'T USE DRUGS, DRINK, OR HAVE VIOLENCE IN MY LIFE, THAT THE OTHER STATIONS SAY THAT ARE ACCEPTABLE IN OUR LIVES. CHRISTIAN MUSIC CAN CHANGE PEOPLES LIVES, IT CAN CHANGE THE WAY THEY LIVE THEIR LIVES. PEOPLE ABSORB WHAT THEY SEE AND HEAR, AND THEN BEGIN ACT ~~WANT~~ LIKE IT, OR ACT UPON IT.

THATS WHY K-LOVE IS SO IMPORTANT IN OUR LIVES TODAY, IF WE HEAR THE GOOD, MAYBE THEN WE CAN BE THE GOOD. (THAT SOMEONE ELSE WHO HAS NOT FOUND K-LOVE) THE GOOD ~~PERSON~~ PERSON WHO CAN MAKE SOMEONE ELSE'S DAY A LITTLE BETTER. AND THAT'S WHY THERES K-LOVE.

I would like to comment on
my favorite channel K-Love being

K-Love is a family friendly
inspirational channel that has exposed
my community and I to wonder-
ful contemporary Christian music.
I have already bought many
C.D.'s and went to concerts whereas
I was losing interest in secular
music because it all sounded the
same until K-Love brought excellent
music with fantastic talent along
with encouraging lyrics. Right
now there is so much tension
with so many people dying and
losing limbs and becoming perma-
nently disabled in Iraq and the
middle east and turmoil in the Sudan
and our soldiers committing suicide
because of Trauma. I Need K-Love
